

Day 27

Duaa said while seeing someone suffering

عن عمر بن الخطاب وأبي هريرة رضي الله عنهما عن النبي صلى الله عليه وسلم أنه قال: من رأى مبتلا فقال:

"الحمد لله الذي عافاني مما ابتلاك به، وفضلني على كثير ممن خلق تفضيلاً".

لم يصبه ذلك البلاء/إلا عوفي من ذلك البلاء، كأننا ما كان، ما عاش.

(رواه الترمذي)

AL-HUMDULILLAHIL LAZI AAFANEE MIMMAB

TALAAKA BIHI, WA FAZZALANI ALA KASIRIN

MIMMAN KHALAQA TAFF-ZEELA.

Omar ibn Al Khattab RA and Abu Hurairah RA, narrated from Messenger of Allah PBUH, that he said: He who sees someone else suffering from an affliction or trouble, and says (in his heart):

“All thanks to Allah! Who protected me from what HE afflicted him with, and favored me considerably over many people HE created”.

That same affliction will never befall upon him/her, he will be protected throughout his life against the same tribulation, whatever it is.
